The same handful of questions comes up on almost every call John Owen takes. People want to know how fast someone can get to them, what it will cost to find out what's wrong, and whether the firm actually does the kind of job they need. Redland Roofing Cardiff is a family-owned roofing contractor based on Trecinon Road in Rumney, and these are the answers John gives most often. Speed is usually the first worry, especially when water is coming through a ceiling. Quick response is the most common theme across the firm's Google reviews, and customers frequently mention a visit on the same day or the next. The phone line is open 24 hours a day, seven days a week, and there's a 24/7 emergency callout for roofs damaged in a storm or leaking badly. From Rumney it's a short drive along Newport Road or Eastern Avenue into Roath, Cathays, Penylan and the city centre, which helps a lot when time matters. Cost is the next question, and the answer to the first part is simple: quotes are free and there's no obligation. John will come out, look at the roof properly, explain what he's found and put a clear price on it. Customers say the quoted price was the final price, which fits the firm's "no games, no hidden costs" approach. One reviewer compared quotes from eight to ten roofers in Cardiff before choosing Redland. People also ask about insurance, and the business is fully insured for residential roofing installation, repair and replacement, with guarantee-backed workmanship on top.

Then there's the question of what the team actually does. Chimneys are a big part of the work, from repair and repointing to full chimney removal, which 14 Google reviewers have mentioned. Flat roofs are another, with old felt replaced by an EPDM rubber membrane over new tongue-and-groove sterling board decking. The list also covers slate and tile repairs, full roof replacement, conservatory roofs, lead work, ridge tiles, dry verge caps, gutters, fascias, soffits and garage roofs. House buyers ***roofer reviews Cardiff*** can book a pre-purchase roof survey with a written report. As for areas, the answer is all of Cardiff, from Butetown and Cardiff Bay to Llanishen, Heath and Cyncoed, out west to Canton and Ely, plus Penarth, Caerphilly, Newport and Cwmbran. If your question isn't covered here, the easiest thing is to ask John directly. He has more than 30 years in the trade and a 4.8 rating from 204 reviews, and customers often say how patiently he answers. Call these Cardiff roofers on 07884 013048, any time of day.
