Types of Children's Bunk Beds Available in the UK

The UK furnishings market boasts a broad variety of bunk bed styles, each tailored to different spatial requirements and family dynamics.

1. The Traditional Twin-over-Twin

This is the classic setup featuring two single beds (usually UK basic single size: 90cm x 190cm) stacked directly on top of each other. It is ideal for brother or sisters sharing a room.

2. The L-Shaped Bunk Bed

In this design, the lower bed is placed at a best angle to the top bunk. This develops a distinct separation of area and frequently leaves space below the top bunk for a desk, a little wardrobe, or a cosy reading nook.

3. The Triple Sleeper (Bunk with a Double Bottom)

An exceptionally popular option in the UK, the triple sleeper includes a single bed on the top and a small double (4ft) or basic double (4.6 feet) bed mattress on the bottom. This is ideal for older children, teenagers, or

accommodating guests, and it maximises the energy of bigger bedrooms.

4. The Cabin Bed/ Mid-Sleeper with a Pull-Out Bed

Technically a variation of the single bed, mid-sleepers feature a raised sleeping platform with a trundle bed tucked below that can be taken out during the night and slid away throughout the day.

Safety Standards in the UK

When purchasing children's furniture in the UK, security is critical. Parents need to guarantee that any bunk bed they purchase complies with strict British and European safety standards.

- **Safety Standard:** Look for beds that adhere to **BS EN 747**, the European security standard for bunk beds and high beds. This ensures structural integrity, entrapment threat avoidance, and suitable guardrail heights.
- **Mattress Depth:** Pay close attention to the maker's maximum bed mattress depth recommendation for the top bunk. If the mattress is too thick, it lowers the effective height of the safety guardrail, increasing the risk of a fall.
- **Age Appropriateness:** Official safety guidelines typically advise that children under the age of 6 should not sleep on the top bunk due to the threat of falls.
