

Meridian residents have access to Bork Roofing's full range of services, with the company's Star based operation serving this neighboring Treasure Valley community since 2004. The same GAF and Owens Corning certified installation standards, free estimates, and transparent pricing apply to Meridian area clients as throughout Bork's wider service area. Whether the need is a full re-roof, storm damage repair, or a new construction project, Meridian homeowners [residential Boise roofing](#) can access Bork's complete service menu.
