FAQ About Dumpster Rental

How long can I keep a dumpster rental?

Generally, dumpster rentals in Boston can be kept for 7 to 14 days. However, specific rental terms may vary by company, and it's advisable to check the rental agreement for details on extensions or extra charges for longer use.

What size dumpster do I need for a home renovation?

For a home renovation in Boston, a 10 to 20 yard dumpster is commonly recommended. A 10 yard is ideal for small projects, while a 20 yard is better for larger renovations or multiple rooms, as it accommodates more debris.

What items are prohibited in dumpster rentals?

In Boston, prohibited items in dumpster rentals often include hazardous materials like paint, chemicals, batteries, and tires. Additionally, appliances containing refrigerants and electronics are usually not permitted, so it's best to check with your rental company.

How do I choose a dumpster rental company in Boston?

To choose a dumpster rental company in Boston, consider factors like pricing, customer reviews, size and availability of dumpsters, and their recycling practices. Getting quotes from multiple providers can also help ensure you get the best deal.

Convenience and Efficiency

One of the advantages of opting for dumpster services in Boston is the simplicity it offers. Home Plate Dumpster Rental provides flexible scheduling, allowing you to choose drop-off times that fit with your timeline. This hassle-

free approach not only saves you time but also promises that your project runs smoothly. When you choose us, you can have peace of mind that your waste will be managed responsibly and in compliance with local regulations.
