The Four Bonus Rounds Explained

The primary attraction of Crazy Time lies in its four reward rounds. These mini-games offer the greatest multipliers and the most aesthetically appealing gameplay.

1. Coin Flip

The easiest of the bonus offer rounds. A coin with a red side and a blue side is turned by a machine. Before the flip, **Play Crazy Time Demo** random multipliers are assigned to each side. Whichever side lands face up awards the player that corresponding multiplier.

2. Cash Hunt

Players deal with an enormous screen displaying 108 random multipliers concealed behind numerous shooting targets (like cacti, targets, and hats). Utilizing a virtual cannon, the gamer chooses one target, and the covert multiplier is revealed and used to their bet.

3. Pachinko

Inspired by the conventional Japanese arcade video game, a radiant puck is dropped from the top of a large board filled with pegs. The puck bounces down and lands in one of the landing zones at the bottom, each including a multiplier. If it arrive at a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the game. Players enter a virtual, surreal world behind a red door, greeted by an even bigger huge wheel. Players need to choose among three flappers (Green, Blue, or Yellow). The wheel spins, and any place the selected flapper stops identifies the reward. Multipliers can reach up to **20,000 x**.
