What is a CS: GO Case Battle?

A case battle is a multiplayer video game mode hosted on third-party CS2 skin gaming and trading websites. Unlike opening cases alone in the video game customer, a case battle allows multiple players (usually in between two and four) to open the [Look at this website](#) precise same set of cases at the same time.

The rules are basic:

1. **Buy-in:** All participants contribute a set quantity of cases, moneyed by their site balance.
2. **The Drop:** The system opens the cases for all gamers round by round. Every product dropped is provided a real-world monetary value based on Steam Market or third-party pricing.
3. **The Winner:** At the end of the battle, the total value of all skin drops for each gamer is computed. The player with the highest total value wins **all** the items dropped in the match, including those of their challengers.

If you are fortunate, you can win double, triple, or perhaps ten times your preliminary buy-in. If you lose, you lose the expense of the cases.
