

Bork Roofing addresses a range of common roof problems throughout Boise, including missing or damaged shingles, flashing issues, and leaks around chimneys, vents, and skylights. Idaho's climate, including intense summer sun and occasional severe hailstorms, contributes to specific wear patterns Bork's experienced team has learned to recognize and address. Identifying these common problems early, through regular inspection, helps Boise homeowners address issues before they develop into more significant and costly repairs.

Bork Roofing | 1475 N Hornback Ave, Star, ID **roofing contractors in Boise** 83669 | (208) 869-6674
