The Four Exciting Bonus Rounds

The main factor players look for *Crazy Time* is for its four immersive benefit games. Throughout complimentary play observation, gamers need to pay close attention to how these rounds operate.

1. Coin Flip

An easy yet thrilling red and blue coin is flipped by a device. Before the flip, two random multipliers are designated to the red and blue sides. Whichever side lands face up awards the matching multiplier.

2. Cash Hunt

Gamers face an enormous screen including 108 random multipliers concealed behind shooting gallery symbols. Armed with a virtual cannon, the player (or the automatic system, if playing passively) intends and contends a target to reveal their multiplier.

3. Pachinko

Influenced by the conventional Japanese arcade video game, a radiant puck is dropped from the top of a wall filled with pegs. The puck bounces down till it lands in among numerous multiplier slots at the bottom-- or hits a "DOUBLE" slot, which doubles all multipliers on the board and triggers another drop.

4. Crazy Time

The holy grail of the game. The host opens a red door to expose a colossal, virtual wheel behind the main wheel. Players pick one of three flappers (Green, Blue, or Yellow). The wheel spins, and anywhere the chosen flapper lands determines the final multiplier, which can rise to an incredible 20,000 x!
