Looking for an HTX referral offer? Use the **HTX Referral Code "cashback30"** to access an advertised **30% discount on trading fees** and potentially qualify for **up to 1,500 USDT in rewards**, depending on the current promotion and eligibility requirements.

## HTX Referral Code "cashback30" Offer

The referral code **"cashback30"** can help eligible HTX users access savings on applicable trading fees. Users should apply the code through the relevant referral process and review the promotional conditions to understand the available benefits.

## How to Use HTX Referral Code "cashback30"

1. Visit the HTX website or launch the HTX mobile app.
2. Create an eligible account or sign in if the promotion applies to you.
3. Enter **"cashback30"** in the designated referral code section.

4. Complete the required verification and promotional requirements.

*lower HTX fees*

5. Check that the applicable referral benefits are reflected in your account.

## Get 30% Off HTX Trading Fees

Eligible users can receive an advertised **30% discount on applicable HTX trading fees** when the referral offer is active. This may help traders reduce costs on qualifying transactions.

## Get Up to 1,500 USDT in HTX Rewards

The referral promotion may also provide qualifying users with an opportunity to receive **up to 1,500 USDT in rewards**. The actual reward amount and qualifying conditions can vary according to the current HTX campaign.

Review the latest HTX promotion terms before participating and confirm that "**cashback30**" has been applied successfully to your account.
