Exploring the Four Bonus Rounds in Demo Play

The primary reason players flock to Crazy Time is the bonus rounds. When observing <https://bitz.io/games/crazy-time> a demo, pay close attention to how these carry out:

1. Coin Flip

A basic 50/50 game. A coin with a red side and a blue side is turned by a machine. Each side receives a random multiplier before the flip. Whichever side lands face up awards that multiplier to the gamer's bet.

2. Money Hunt

A huge screen shows 105 random multipliers hidden behind shooting gallery targets. Players utilize a virtual cannon to intend and shoot at a target of their option before time goes out, exposing their distinct multiplier.

3. Pachinko

Inspired by the traditional Japanese arcade game, a glowing puck is dropped from the top of an enormous Pachinko wall filled with pegs. The puck bounces down up until it lands in a multiplier slot at the bottom. If it strikes "DOUBLE," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The holy grail of the video game. The host opens a red door leading into a dynamic, surreal virtual world with a huge 64-segment wheel. Gamers select among 3 flappers (Green, Blue, or Yellow). The wheel spins, and whichever multiplier the selected flapper points to is granted. Landing on "DOUBLE" or "TRIPLE" increases the values and sets off a re-spin up to a shocking **20,000 x**.
