- **The Martingale System:** A timeless progressive betting method where a player doubles their bet after every loss, intending to recover all previous losses and secure a revenue with a single win. *Keep in mind: This requires a huge bankroll and brings high danger.*
- **The Dual-Bet Strategy:** Since numerous platforms enable 2 bets per round, players often place a big bet with a low auto-cashout (e.g., 1.50 x) to protect standard revenues, and a smaller sized bet that they let ride for a high-risk, high-reward multiplier.
