Properties across the City Centre face the same wet climate, driving rain and Atlantic winds that sweep across South East Wales, and over the years that weather finds every weak point. Redland Roofing Cardiff is an independent, family-run roofing business from South Wales that has served Cardiff and the wider region for over 30 years. The work covers the full range of roofing that a busy part of the city needs. That includes standard roof repairs for slipped, broken or missing tiles and leaks, roof replacement in tile and slate, new roof installation, flat roof repair and replacement, chimney repairs, lead work, ridge tiles, dry verge, guttering and fascias. Flat roofing is a real speciality, with EPDM rubber a particular strength alongside GRP fibreglass and felt systems. The team will not recommend a replacement if a repair will do, so City Centre clients only pay for the work their roof genuinely needs. Every job starts with a free, no-obligation assessment.
